HEALING:

COMMUNITY AND REGIONAL HEALTH SERVICES

Our UF Health teams proactively reach out to area residents beyond the walls of our hospitals, physician practices and classrooms to share valuable information about healthy living, illness prevention, medical treatments and disease management.

$2.7

GIVING:

DONATIONS AND IN-KIND SERVICES

UF Health Shands and UF Health Jacksonville contribute funds and employee resources to numerous community agencies that help people improve their health, wellness and quality of life. In addition to these investments, staff members generously contribute their own non-work time and make personal donations to support local programs.

$37.3

LEARNING:

HEALTH PROFESSIONALS EDUCATION

Medical miracle-workers exist in every graduating class at UF's academic health center because of the teaching and learning that occurs every day in the UF colleges of Dentistry, Medicine, Nursing, Pharmacy, Public Health and Health Professions, and Veterinary Medicine. UF Health provides clinical training sites and supervision for these students and for those from colleges and programs across the Southeast to satisfy the requirements to become qualified medical professionals.

$15.7

GROWTH:

SCIENTIFIC AND CLINICAL RESEARCH

As private, not-for-profit organizations adhering to state statutes, UF Health Shands and UF Health Jacksonville are responsible for providing support to the UF's academic health center for educational and research activities that benefit residents throughout the state.
