

# LIFE

At UF Health, our passion is to bridge discoveries with clinical care, leading to new advances that bring hope and healing to those we care for, our patients and their families — *transforming lives.*

# TRANSFORMED

## MISSION

**PATIENT CARE**  
**EDUCATION**  
**SCIENTIFIC DISCOVERY**  
**COMMUNITY ENGAGEMENT**

UF Health's mission is to promote health through outstanding and high-quality patient care, innovative and rigorous education in the health professions and biomedical sciences, and high-impact research across the spectrum of basic, translational and clinical investigation. Our patients and communities are at the heart of all we do.

## VISION

At UF Health, we share a common vision — to improve health. Collaboration and a solution-driven focus are at the core of our efforts to deliver outstanding care and the best possible outcomes for our patients, to train the health care providers of tomorrow, and to advance discoveries that lead to new clinical treatments.

## VALUES

UF Health's values center around our steadfast commitment to our faculty, staff, students, patients and communities.
