

How to use this map:

Each path is identified by its own color and letter. The letter may be seen spaced along each path:

		
BLUE	GREEN	LAVENDER
		
ORANGE	TAN	YELLOW

Each destination has a number. Find where you want to go by looking up the name on the directory list. Next to it, is its number and its path color. Look for that number along the colored path on the map to see where to go.

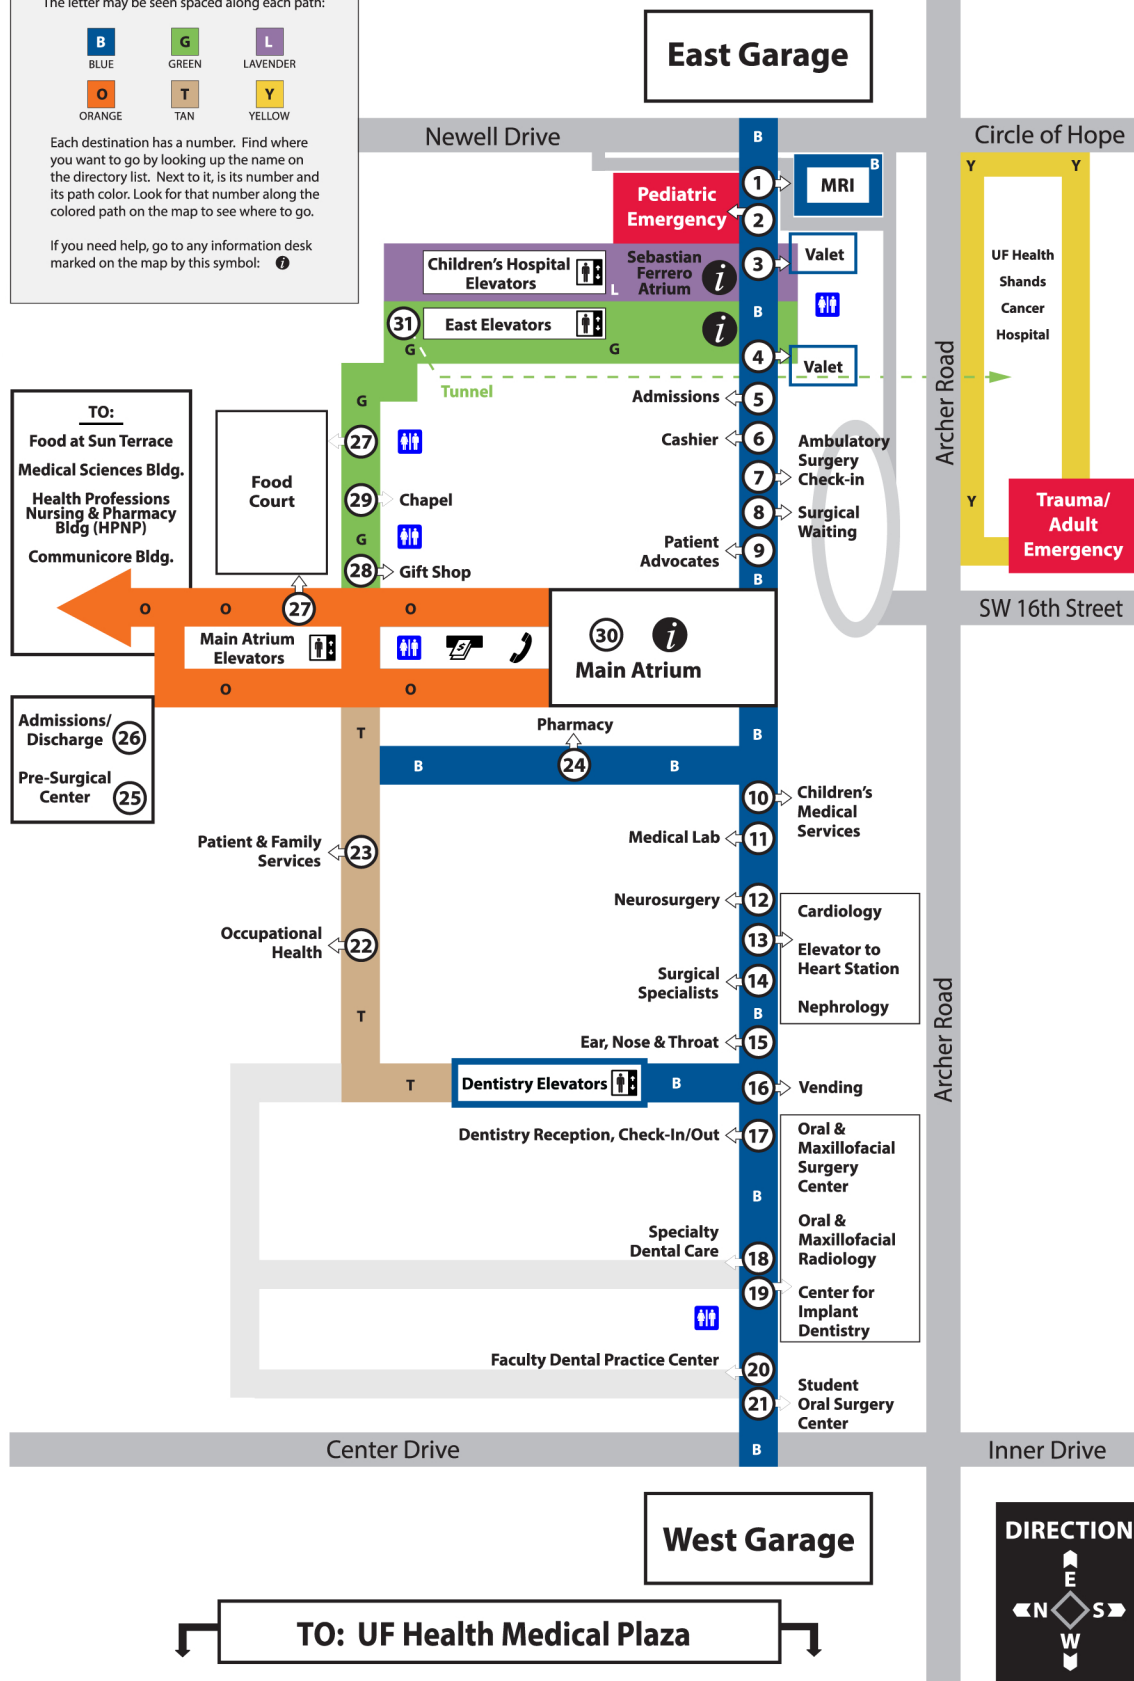

If you need help, go to any information desk marked on the map by this symbol:
