

Heat, Heart and Head Sports Injury Prevention Symposium

July 30, 2016

9 a.m.—3 p.m.

Ben Hill Griffin Stadium

Gator Room

[between Gates 1 and 18]

157 Gale Lemerand Drive
Gainesville, FL

Please join us to learn the latest information about major areas of concern in youth sports: heat illness, sudden cardiac death, concussions, asthma and abdominal injuries. There will be additional hot topics in sports covered as well— and all by experts in their field.

This event is FREE to all coaches and administrators of schools and sports organizations, all ages and all sports. **Lunch will be provided as well as a tour of the new UF Indoor Football Practice Facility.**

Register online by July 20
