GENERAL INSTRUCTIONS:

- Bring a photo ID and your insurance card.
- For your safety, your anesthesiologist prefers that you do not smoke or drink alcohol 48 hours prior to surgery.
- You must have someone with you who will remain in waiting area during your procedure and to drive you home. We will cancel your procedure if a driver does not come with you. After your procedure, you will not be allowed to drive a vehicle, operate machinery, make legal decisions or drink alcohol for 24 hours.
- Bring in advance directive/living will if available.
- Do not wear make-up, nail polish or jewelry on the day of surgery and give all belongings such as glasses, contacts, dentures, clothes, etc. to family prior to procedure.
- Tell your doctor if you have a cold, sore throat, cough or fever before your procedure.
- On the day of procedure, please check in at the: _____

MEDICATION INSTRUCTIONS:

- **Do not eat any food or drink after midnight.**
- No gum or candy the morning of your procedure.
- Do not take any iron supplements for 7 days.
- **Unless given specific medication instructions at a presurgical appointment, please follow these medication instructions:**
 - Do not take diabetic pills the evening prior or morning of your procedure
 - Cut insulin dose in half the evening prior to procedure and hold morning insulin dose the day of procedure
 - Take heart, blood pressure, pain meds, seizure and Parkinson’s medications with a sip of water 2 hours prior to arrival time
 - If you are taking aspirin, NSAIDS or are on blood thinners, please contact the physician that prescribed the medication for further instructions

PRE-PROCEDURE INSTRUCTIONS:

- Nothing to eat or drink after midnight.
- **NOTE: If you are scheduled for an ERCP or EUS; you must bring the CD copy of your imaging studies with you on the day of your procedure. Please obtain this from the facility that performed the imaging. Note, you may not be able to have your procedure without this documentation.**
