

Patency Capsule Study

Procedure Date _____ Arrival Time _____

GENERAL INSTRUCTIONS:

- Bring a photo ID and your insurance card.
- On the day of procedure, please check in at the **UF Health Endoscopy Center located at 2001 SW 13th Street.**

THE EVENING BEFORE THE TEST:

- You must fast overnight before your test. Do not eat or drink anything after midnight the night before the test.
- Refrain from tobacco use during the fasting period
- Refrain from alcohol consumption 24 hours before the test and for the duration of the test.

PRIOR THE TEST:

- Do not eat, drink, or smoke anything before going to the doctor's office.
- It is ok to take any allowed morning medicines with a sip of water.
- If you are a diabetic, take one half of your insulin dose, unless otherwise instructed by your doctor. Bring any oral diabetes medications with you to take after the test when you eat.

DURING AND AFTER THE TEST:

- The Patency Capsule will include swallowing a pill at the doctor's office.
- You will be required to get an abdominal x-ray 30 hours after taking the Patency Capsule. The order will be provided to you at the doctor's office.
- Two hours after taking Patency Capsule you may have clear liquids.
- Four hours after taking the Patency Capsule you may have light meals until the x-ray is completed the following day.

PLEASE CALL 352.265.3636 (ENDO) FOR THE FOLLOWING:

- To cancel or reschedule your procedure.
- Pre-procedure questions.

If you experience persistent acute pain, sudden nausea, or vomiting beyond your typical pattern, go to the nearest emergency room or call 911.
